Education

Animation

Seneca College, Toronto — *Ontario College Advanced Diploma*   2017-2020

Kitchen Asset Project   2020-2020

Led a 3-member team through 14-week project, completing renders using render farm.

- Lit an animated scene in Maya, then used Deadline for Maya to render First Middle Last .exr frames; monitoring renders and troubleshooting errors throughout
- Determine source of failure by analyzing logs
- Submit jobs to pools via Deadline for Maya
- Assessed upcoming frame/shot throughput

24-hour Animation Challenge for Students   2019-2019

Completed a thematic 30-second film using Harmony and Maya in less than 24 hours, placing 15th out of 249 teams.

Open House Seneca   2019-2019

As student ambassador, led prospective students and families through studio facilities and took questions regarding the Seneca Animation Arts Centre.

- Oversaw walkthrough and connected guests with faculty for further academic information
- Communicated with supervisors to improve upon guest experience

Personal Projects

- Installed Deadline client into multiple personal machines to maximize hardware rendering power
- Exported and rendered object turntables (90 frames each) using Deadline

Experience

Front Desk Receptionist   2016 - 2019

Homelife New World, Scarborough, ON

Acted as a liaison to resolve client and agent issues through verifying bookings using administrative software, preparing and organizing data via Excel, Word and Gmail. Communicate daily between 2 departments and head of company, and oversee outstanding scheduling requests.

Key contributions:

- Resolved needs with time efficiency, clearing queue at 1.5x average running speeds
- Re-organized and integrated improved archival system, alleviating workload from other departments eliminating the need for overtime
- Regulated max 10 simultaneous phone lines during rush- hour, multi-tasked with professional attitude using a variety of communication across departments
- Prioritized tasks to reduce call-backs, which improved on time efficiency
- Monitored outstanding appointments, emptying queue within the half-hour
- Trained 3 new hires through customer service and detailed software navigation

Cashier   2012-2015

Freshco., Richmond Hill, ON

Completed customers transactions and carry through management instructions.

Key contributions:

- Prevented theft of over $200 using orientation to detail
- Helped run promotional events using enthusiastic interpersonal skills with customers
